### **GERALDINE BROSAN**

Geraldine Brosnan is a Senior Speech and Language Therapist with over 25 years' experience working with children and adolescents. She graduated from University College Dublin with first class honours in Modern Languages and continues to have an interest in bilingualism. She currently works at the Lucena Clinic in Dublin. Geraldine completed her post graduate training in Speech and Language Therapy at City University London. She has published research on ADHD exploring demographic and language profiles of children attending the Lucena Clinic. She has extensive experience in neurodevelopmental assessment and parent training. Over the past four years she has helped to introduce and implement the Secret Agent Society Programme at the Lucena Clinic alongside her colleague Deirdre MacEvilly.
